Help Shape the Future of Safer Streets in Onondaga County

The **Safe Streets Onondaga Action Plan** is a community driven initiative focused on creating safer streets for everyone who lives, works, and travels throughout Onondaga County.

Whether you walk, bike, drive, ride transit, or use a mobility device, your experience matters. Together, we can identify challenges, prioritize improvements, and create a transportation system that is safer, more accessible, and better connected for people of all ages and abilities.

WHY YOUR VOICE MATTERS

- ✔ You know your community best.
- ✔ You know the intersections that feel unsafe.
- ✔ You know where sidewalks are missing.
- ✔ You know where speeding is a concern.
- ✔ Your experiences and ideas will help shape transportation priorities and future investments throughout Onondaga County.

GET INVOLVED

We want to hear from you.

Take a few minutes to complete the Community Surveyor attend our Public Meeting to share your thoughts on how we can make our streets safer for everyone.

Every response helps us better understand the needs of our communities and develop solutions that reflect the people who use our transportation system every day.
